

# KenCrest: Keeping Employer Partners and Employees Safe

## 7 Steps We Take on the Job Site to Prevent the Spread of COVID-19

- 01** Stay six feet apart from others.
- 02** Sanitize hands after sneezing or coughing.
- 03** Wear a cloth face mask when in public.
- 04** Avoid touching one's eyes, nose, and mouth.
- 05** Disinfect areas and objects used on a regular basis.
- 06** Stay home when sick unless seeking medical attention.
- 07** Wash hands often with warm, soapy water for at least 20 seconds.
