

DISABILITY SUMMIT 2022

Disability Summit FAQ's

Testifiers

In order to maintain an accurate headcount for catering and note any special dietary concerns, please register as an attendee through [Eventbrite](#).

What time is the legislative hearing?

The hearing will start at 3:00pm and conclude at 4:30 p.m.

How many minutes should my testimony be?

Spoken testimony should be 5-7 minutes max to ensure that all presenters are able to speak and that there is time for questions from legislators. You are welcome to submit longer written testimony. Please send written testimony to DisabilitySummit@kencrest.org by September 19th and it will be shared with the legislators.

What should my testimony focus on?

The theme of the conference highlights enabling and assistive technologies; as well as adaptations and smart devices that create greater independence for people with disabilities. Testimony should focus on technology and the disability community.

What kind of legislators will be in attendance?

Pennsylvania state senators and state representatives.

Will there be an opportunity for legislators to ask questions?

Yes! After the testifiers conclude, legislators will have the opportunity to ask questions.
